Thanks to everyone that supported the Willow Mill Festival and bought a Sausato – the money made will be donated to the Veteran's Memorial Committee – the dedication of the memorial will be November 11.

Our meeting with Rick Rovegno, Cumberland County Commissioner, gave us another chance to express our desire that the 132 acres south and west of the fire hall remain zoned agriculture. He listened and said he would let us know when the commissioners may take action on this issue. Please continue to write or call the commissioners and express your opinion about this change. As long as no decision has been made, we can continue to express our desires.

Thank you to everyone able to attend the meeting.
