

New Kingstown Vision

November 2011 Newsletter

The County Commissioners voted on Monday 11/14 – the 132 acres to the south and west of New Kingstown will, for the time being, remain zoned agriculture!!!!!!!

We ask that you write, email (commissioners@ccpa.net) or call the county commissioners and thank them for listening to us and voting to help preserve our community's character. Our township supervisors' support was vital in this effort and we would like to thank them for their efforts.
